

ABOUT R. P. GOGATE AND R. V. JOGALEKAR COLLEGE

Ratnagiri Education Society is one of the oldest education trusts in Konkan region. R. P. Gogate College of Arts and Science and R.V. Jogalekar College of Commerce (Autonomous) Ratnagiri was established in 1945. It is situated in the coastal area of the Konkan Region of Maharashtra State. The college is affiliated to the University of Mumbai and offers various undergraduate, postgraduate and research programmes in different subjects. In the fourth cycle of accreditation (year 2019), the college is accredited by NAAC, Bangalore with CGPA 3.22 (A grade).

The Science department of the college has received special grant from Department of Science and Technology (DST-FIST) in the year 2017, grant from Department of Biotechnology under star college scheme in the year 2021. Our college is a leading college in the Konkan region with competent staff, adequate infrastructure and motivated students. The college also has an excellent Library, Boys' and Ladies' Hostels in the College premises and a modern gymnasium for the students & the staff.

ABOUT WRIC

Western Regional Instrumentation Centre (WRIC), Mumbai is an autonomous institute established in 1977 and fully funded by the University Grant Commission (UGC), Government of India, New Delhi in association with University of Mumbai. WRIC is the only Regional Instrumentation Centre in India and which has now been recognised as a National Facility Centre for Instrumentation by UGC. The overall impact of the centre's activities since its inception has been to further the UGC's efforts in creating adequate, self-supporting infrastructure in the Indian universities by providing research, maintenance, testing and measurement services in the field of instrumentations.

WRIC aims to be:

- Resource center to create necessary facilities for instrumentation programmes.
- Role model for providing instrument services such as calibration (Electro technical, temperature and pressure), repair and maintenance, Glass blowing instrument fabrication services, organising maintenance camps.
- Centre for design and development of new teaching aids to facilitate teaching & research.
- Resource Centre for conducting training programmes in instrumentation and instruments repair and maintenance.
- Resource centre for R&D in instrumentation for Education, Research & Industries.

ABOUT WORKSHOP

Dear Sir/ Madam,

It gives us an immense pleasure to invite you to participate in State Level Workshop on "Operation and Maintenance of Laboratory Equipment's" organized by Dept. of Chemistry, Gogate Joglekar College (Autonomous) Ratnagiri in collaboration with WRIC, Mumbai. This workshop addresses the challenges that college faces in maintaining essential laboratory equipment due to wear and tear, lack of maintenance knowledge, and high cost. To alleviate this, the focus is on hands on training in repairing of instruments to technical and academic staff of the college. In this context, Participants are hereby requested to submit a list of instruments and their probable problem on or before 26th Feb 2024, this will help the WRIC staff to procure spare parts.

Participants are advised to bring the instruments to be repaired during the workshop. And repair it on your own under the supervision and guidance of WRIC technical staff. Participants can submit the list of instruments through google form link, WhatsApp or email provided with online registration. At least one teaching staff and one laboratory assistant from Chemistry, Botany, Zoology and Biological science department is expected to participate in the workshop. Maximum 40 delegates on first come first serve basis will be selected for workshop. The selected delegates will be informed well before 1st March 2024.
