Evaluation Pattern 60:40

The performance of the learners shall be evaluated into two parts. The learner's performance shall be assessed by Internal Assessment with 40% marks in the first part and by conducting the Semester End Examinations with 60% marks in the second part. The allocation of marks for the Internal Assessment and Semester End Examinations are as shown below-

A) Internal Assessment: 40 % of 100 (40 Marks) or 40% of 50 (20 Marks)

Sr. No.	Particulars	4 Credits Subjects Marks	2 Credits Subjects Marks
01	One Class Test / Online Examination to be conducted in the given semester [Duration: 40 Minutes] [Duration: 20 Minutes]	20	10
02	One Assignment to be conducted in the given semester	10	05
03	Active participation in routine class instructional deliveries and overall conduct as a responsible learner, mannerism and articulation and exhibit of leadership qualities in organizing related academic activities	10	05
	Total	40	20

B) Semester End Examination: 60% of 100 (60 Marks) or 60% of 50 marks (30 Marks)

Duration: The examination shall be of 2 hours duration.

Question Paper Pattern

1. There shall be four / five questions.
2. All questions shall be compulsory with internal options.
3. Question may be subdivided into sub-questions a, b, c... and the allocation of marks depends on the weightage of the unit.

A) Standard of Passing

The learner to pass a course shall have to obtain a minimum of 40% marks in aggregate for each course where the course consists of Internal Assessment & Semester End Examination. The learner shall obtain minimum of 40% marks (for 100 Marks examination i.e. 16 out of 40) and (for 50 marks examination i.e. 8 out of 20) in the Internal Assessment. 40% marks in Semester End Examination (for 100 Marks examination i.e. 24 out of 60) or (50 marks examination i.e. 12 out of 30) separately, to pass the course and minimum of Letter Grade “P” in the project component, wherever applicable to pass a particular semester. A learner will be said to have passed the course if the learner passes the Internal Assessment & Semester End Examination together.

B) Performance Grading

Letter Grades and Grade Points

Semester GPA/ Program CGPA Semester/Program	% of Marks	Alpha-Sign / Letter Grade Result
9.00-10.00	90.0 -100	O (Outstanding)
$8.00 \leq 9.00$	$80.0 \leq 90.0$	A+ (Excellent)
$7.00 \leq 8.00$	$70.0 \leq 80.0$	A (Very Good)
$6.00 \leq 7.00$	$60.0 \leq 70.0$	B+ (Good)
$5.50 \leq 6.00$	$55.0 \leq 60.0$	B (Above Average)
$5.00 \leq 5.50$	$50.0 \leq 55.0$	C (Average)
$4.00 \leq 5.00$	$40.0 \leq 50.0$	P (Pass)
Below 4.00	Below 40	F (Fail)

Field Project (FP)

Name of the Course	:	Field Project (FP)
Course Code	:	UGJCFP301
Class	:	SYBAF
Semester	:	III
No of Credits	:	02
Nature	:	Practical
Type (Applicable to NEP)	:	Field Project (FP)
Employability/ entrepreneurship	:	The Field Project for Bachelor of Commerce is designed to provide learners with hands-on learning experiences in understanding different socio-economic contexts. The project aims to expose learners to development-related issues in both rural and urban settings. It offers opportunities for learners to observe and study actual field situations related to socio-economic development, policies, regulations, organizational structures, and programmes that guide the development process. Additionally, learners will explore innovative practices to address complex socio-economic problems in the community.

Guidelines Field Project (FP)

This course requiring learners to participate in field-based learning/projects generally under the supervision of faculty. Learners have to work 60 hours in a semester for field Project.

30 hours for classroom activities

- In a semester for project planning, preparation for the field project.
- Data analysis & Preparation of report etc.

30 hours for out-of-class activities

- Implement the planned fieldwork activities according to the project schedule.
- Collect data through interviews, surveys, observations, etc.
- Document all fieldwork activities accurately, including any challenges or unexpected findings.

Field Project (FP) Course Outcomes

The field-based learning/ project should attempt to provide opportunities for learners to

1. Understand the different socio-economic contexts.
2. Giving exposure to development related issues in rural and urban settings.
3. Observe situation in rural and urban contexts and to observe and study actual field situations regarding issues related to socio-economic development.
4. Gain a first-hand understanding of the policies, regulations, organizational structures, processes and programmes that guide the development process.
5. Gain an understanding of the complex socio-economic problems in the community and innovative practices required to general solutions to the identified problems.

Sr. No.	External Evaluation	Distribution of Marks
1.	Basic structure of society, Key definitions of problem area, analysis of preliminary data Classroom work, correspondence, formats, interactions, liaising Field work and Data Gathering Analysis and Reporting Feedback to Community	30
	Internal Evaluation	
2.	Viva-Voce Examination	20

Guidelines for Field Project Report Structure:

The students will be required to submit a comprehensive report at the end of the Field Project. A project report has to be brief in content and must include the following aspects:

1. Title Page:

Mentioning the title of the report, name of the student, program, institution, and the period of training/project.

2. Certificate of Completion:

A certificate issued by the organization or supervisor confirming the successful completion of the training/project.

3. Declaration:

A statement by the student declaring that the report is their original work and acknowledging any assistance or references used.

4. Acknowledgments:

Recognizing individuals or organizations that provided support, guidance, or resources during the project.

5. Table of Contents:

Providing a clear outline of the report's sections and page numbers.

6. Executive Summary:

A bird's eye view of your entire presentation has to be precisely offered under this Category. A brief overview of the project, its objectives, and key findings should be mentioned

7. Introduction:

Background information about the field project and its significance. Objectives and scope of the project.

8. Field Visits and Observations:

Detailed accounts of the field visits, including locations, dates, and observations made during the visits. Photographs or visual aids to support the observations.

9. Identified Socio-Economic Problems:

Detailed description of the complex socio-economic problems observed in the community. Analysis of the root causes and implications of these problems.

10. Innovative Solutions:

- a) Presentation of innovative practices proposed to address the identified problems.
- b) Description of the action plans to implement these solutions

11. Conclusion & Recommendations:

Summary of the key findings and outcomes of the field project. Reflections on the overall experience and learning during the project. Specific recommendations for policymakers, organizations, or stakeholders to address the identified issues. Sr. No Field Project work Distribution of Marks 1 Basic structure of society, Key definitions of problem area, analysis of preliminary data Classroom work, correspondence, formats, interactions, liaising Field work and Data Gathering Analysis and Reporting Feedback to Community 30 2 Internal Evaluation Viva-Voce Examination 20

12. References & Appendices:

List of all sources cited in the project report. Additional supporting materials, such as interview transcripts, survey questionnaires, or field visit notes can be attached as appendices

The bounded project report based on 'On the Job Training/ Field Project' shall be prepared as per the broad guidelines given below:

- Font type: Times New Roman
- Font size: 12-For content, 14-for Title
- Line Space: 1.5-for content and 1-for in table work
- Paper Size: A4
- Margin: in Left-1.5, Up-Down-Right-1

Management Accounting I

Name of the Course	:	Management Accounting I (Introduction to Management Accounting)
Course Code	:	UBAF407
Class	:	SYBAF
Semester	:	IV
No of Credits	:	02
Nature	:	Practical
Type (Applicable to NEP)	:	Skill Enhancement Course
Employability/ entrepreneurship	:	Management accounting skills contribute significantly to employability by enabling professionals to play a vital role in organizational decision-making, financial management, and strategic planning. Management accounting techniques such as Vertical Balance Sheet, Income Statement, Comparative Analysis, Common Size Analysis, Trend Analysis, and Ratio Analysis can be used professionally by learner. Management accounting plays a crucial role in enhancing employability in various industries. Management accountants provide critical financial information and analysis to support decision-making within organizations. This skill is highly valued across industries. A important skill in management accounting is the capacity to make managerial decisions based on financial reports and analysis. Performance measurement is valuable for organizations looking to assess their progress and make informed adjustments to achieve their goals.

Module No.	Modules at Glance	No of Lectures
I	Introduction to Management Accounting and Preparation of Financial Statements	15
III	Ratio Analysis and Interpretation	15
Total		30

Course Outcomes:

Learners will be able to -	
CO1	Prepare financial reports, including income statements, balance sheets. These reports provide insights into the financial health of the organization and help in monitoring performance.
CO2	Understand the concept of Management Accounting and develop the ability to collect, analyze and communicate qualitative and quantitative information to assist management in effective decision making, planning and controlling.
CO3	Provide relevant and timely information to support decision-making, monitor internal controls to ensure the accuracy and reliability of financial information. This is crucial for preventing fraud, errors, and ensuring compliance with regulations.
CO4	Establish and monitor internal controls to ensure the accuracy and reliability of financial information. This is crucial for preventing fraud, errors, and ensuring compliance with regulations.
CO5	Enhance the interpretability and comparability of financial statements, making them valuable tools for financial analysis, decision-making, and communication with stakeholders.
CO6	Analysed over multiple periods to identify trends and patterns.
CO7	Contribute to the forecasting and planning process, allowing management to project future financial performance.
CO8	Provide insights into different aspects of a company's performance, financial health, and efficiency through Ratio Analysis.

Community Engagement Project (CEP)

Name of the Course	:	Community Engagement Project (CEP)
Course Code	:	UGJCCEP401
Class	:	SYBAF
Semester	:	IV
No of Credits	:	02
Nature	:	Practical
Type (Applicable to NEP)	:	Community Engagement Project (CEP)
Employability/ entrepreneurship	:	These are the courses requiring learners to participate in field-based learning/projects generally under the supervision of faculty of the external entity. The curricular component of 'community engagement and service' will involve activities that would expose learners to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems. Thus, the total learner engaged time would be 60 hours for a 2- credit course

Guidelines Community Engagement Project (CEP)

This course requiring learners to participate in Community Engagement Project learning/projects generally under the supervision of faculty. Learners have to work 60 hours in a semester for Community Engagement Project.

30 hours for classroom activities

- In a semester, Programme planning, preparation for community engagement and service, Data Analysis and Preparation of report etc. 30 hours for out-of-class activities
 - Implement the planned community engagement activities according to the programme schedule.
 - Engage with community members through events, workshops, meetings, or door-to-door outreach.
 - Collect feedback, suggestions, and concerns from community members.
- Learners can participate in activities related to National Service Scheme (NSS), National Cadet Corps (NCC), adult education / literacy initiatives and mentoring school learners.

A minimum of 4-6 weeks of summer work, either on college campus in activities related to preservation of environment / biodiversity or community based work in the neighboring community (through NSS unit) or field level work with a recognized NGO or regional case studies programme at Villages may be undertaken as a part of Field projects.

As per UGC guidelines, Regional case study course or Social Entrepreneurship Course, with 2 credits, can be floated an optional mode or as add-on-credit with total duration of 30 hours. At least 50% of the course is to be done compulsorily in the field for all learners.

Course Outcomes Community Engagement Project (CEP):

The Community engagement project learning/ project should attempt to provide opportunities for learners to

1. Expose learners to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems.

Evaluation Pattern 30:20

A. Internal Assessment: 40 % of 50 (20 Marks)

Sr.No.	Community Engagement Project	Distribution of Marks
1.	Learners should perform activities from the list given below CEP for 60 hours	30
2.	Internal Evaluation	
	Viva-Voce Examination	20

- Learners can participate in any one activity from the list given below.
- Learners should engage 60 Hours of work for CEP

Sr. No.	Activities for Field Project and Community Engagement Project
1	Aids Awareness campaign in an urban/ rural area
2	Anty Drug Awareness campaign in an urban/ rural area
3	Organisation of Blood Donation camp
4	Save Girl Child Awareness program in an urban/ rural area

82	Conduct a feasibility study for the establishment of small-scale industries in rural communities.
83	Conduct surveys on Price for Consumer Price Index (CPI)
84	Any other subjects of your choice and get it approved by the field project or CEP guide

Report Structure:

The students will be required to submit a comprehensive report at the end of the Community Engagement Programme. A group of 4-5 learners should select any one CEP Activity and Make a project report has to be brief in content and must include the following aspects:

1. Title Page:

Mentioning the title of the CEP Activity, name of the student, program, institution, and the period of project.

2. Certificate of Completion:

A certificate issued by the organization or supervisor confirming the successful completion of the CEP Activity.

3. Acknowledgments:

Recognizing individuals or organizations that provided support, guidance, or resources during the CEP Activity.

4. Declaration:

A statement by the student declaring that the report is their original work and acknowledging any assistance or references used.

5. Introduction:

Background information about the CEP Activity and its significance. Objectives and scope of the project.

6. Community Engagement and Observations:

Detailed accounts of the Community Engagement, including locations, dates, and work done during the visits. Photographs or visual aids to support the observations.

7. Execution of CEP for Socio-Economic Problems:

Detailed description of the complex socio-economic problems observed in the field project executive of work for the community.

8. Innovative Solutions:

Presentation of innovative practices proposed to address the identified problems.

Description of the action plans to implement these solutions

Set up a standard of work for Socio Economic Problem

9. Conclusion & Recommendations:

Summary of the key findings and outcomes of the CEP Activity. Reflections on the overall experience and learning during the project. Specific recommendations for policymakers, organizations, or stakeholders to address the identified issues.

10. References & Appendices:

List of all sources include Photographs, CEP Activity report. Additional supporting materials, such as interview transcripts, survey questionnaires, or CEP Activity notes can be attached as appendices.

The bounded project report based on ‘Community Engagement Programme’ shall be prepared as per the broad guidelines given below:

- Font type: Times New Roman
- Font size: 12-For content, 14-for Title
- Line Space: 1.5-for content and 1-for in table work
- Paper Size: A4
- Margin: in Left-1.5, Up-Down-Right-1
