

Careers in Psychology Seminar - Illuminating the Path Forward

The Department of Psychology organized a seminar on **"Careers in Psychology"** on 01st March 2025.

The Head of the Department, Ms.Swamini Chavan, conducted the session, sharing her expertise and insights with the students. The Vice Principal (Arts), Dr. Chitra Goswami also interacted with students & gave them best wishes for their career.

The seminar provided a platform for students to ask questions and clarify doubts. It aimed to acquaint psychology students with the plethora of opportunities available to them after completing their undergraduate degree & empower students to make informed decisions about their future careers. Additionally, the seminar sought to inspire students to discover their areas of interest and equip themselves with the necessary skills, knowledge, and dedication required to pursue a career in psychology.

Points covered in the seminar:

- Diverse subfields and specializations within Psychology
- Scope and opportunities available in each area of Psychology
- Work profiles and job roles associated with various specializations
- Required entrance exams for different specializations
- Current trends in Psychology

By attending the seminar, students were better equipped to make informed decisions about their academic and professional paths in psychology.
