Department of Biochemistry

Skill Enhancement Course under PM-USHA (Soft Component) on **Applied Biochemistry**

Department of Biochemistry is going to organize a Skill Enhancement Course under PM USHA (Soft Component) named "Applied Biochemistry." This course is designed to provide students with practical knowledge and hands-on experience in applying biochemical principles and techniques to real-world problems.

Course Title: Applied Biochemistry

Course Type: Skill Enhancement course

Duration: 30 Hours (February 2026)

Eligibility: Any Science Student with Chemistry background

Registration Deadline: 2nd February, 2026

Course Highlights:

This course aims to equip students with the knowledge, skills, and attributes needed to succeed in applying biochemistry principles and techniques in diverse research, industrial, and professional settings.

Registration Process:

To register for the course, please visit the Department of Biochemistry. Be sure to register before the deadline to ensure your participation.
