8	Name: Shweta Onkar Patwardhan Department faculty member (2)	Offline	
9	Name: Mr. Pratik R. Shitut expert for special courses	Absent	

Minutes of BoS meeting

Agenda:	1. To confirm the minutes of last meeting held on 13th December, 2025 2. To approve curriculum and evaluation pattern of certificate course on “Descriptive Biostatistics and Applications”. 3. Any other matter with the permission of chair.
Minutes:	
Agenda 1.	To confirm the minutes of meeting held on 13/12/25, 11.30 am Explanation: Minutes of meeting held on 13/12/25 were discussed initially where the BoS members were informed about taking feedback on current F.Y.B.Sc. syllabus from the students as per discussion. The analysis of the same was discussed among all the members of BoS. Dr. Ratnaparkhi suggested to be more elementary for F.Y.B.Sc. while revising the syllabus; because the students will not get the applications of any topic if their basics are not clear. Also, he suggested to introduce research paper reading for FY students, so that they will be well aware about the research field and for proper implementation, he suggested to give credits to them for this. Resolution: Previous meeting’s minutes were confirmed and suggestions from the members were noted.
Agenda 2.	To approve curriculum and evaluation pattern of certificate course on “Descriptive Biostatistics and Applications”. Explanation: Curriculum and evaluation pattern of certificate course on “Descriptive Biostatistics and Applications” was approved by all the BoS members. Dr. Chougale added the suggestion about considering the mindset of students; because they are not from mathematical background and this course might be challenging for them. Resolution: Suggestions were appreciated and it was made sure that more engaging strategies will be used for increasing involvement of the students.
Agenda 3.	Any other matter with the permission of the chairperson. Explanation: BoS members agreed to all agenda points. As it was the final official meeting of this BoS committee, department appreciated the contribution of all the members of BoS; as without their suggestions and support, the syllabus would not be this relevant and practical for the Biochemistry students. Resolution: All the suggestions were highly appreciated and it was made clear that, those will be surely implemented in coming years.
