| Item 2                   | <p>To approve 2 credits course curriculum and evaluation pattern for TYBA Sem. V under vertical Vocational Skill Course (VSC)</p> <p><b>Explanation:</b> The chairperson explained the need to introduce this VSC in programme structure. The curriculum was presented before the house. Prof. Sawant suggested that the number of COs to be reduced to 2 as there are two units. Prof. Sawant and Prof Patil suggested changes in Unit II, to add statistical operations using MS Excel instead of RS-GPS. It was decided to change the course title accordingly. Chairperson suggested 'Computer Assisted Cartography' as title which was accepted by the members. The revised curriculum was accepted with the changes.</p> <p><b>Resolution:</b> The curriculum and evaluation pattern for 2 credits course, titled 'Computer Assisted Cartography', for TYBA Sem. V under vertical Vocational Skill Course (VSC) is approved.</p> <p>Proponent: Prof. Surendra Thakurdesai      Second: Prof. Sardar A. Patil</p> |
| Item 3                   | <p>Any other matter with the permission of the chairperson</p> <p>No matter was raised by the members present. Chairperson expressed gratitude for the cooperation extended by all the members in 3 years as BoS members. The meeting ended with vote of thanks.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
